Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$500 Individual / \$1,000 Family Applies to Inpatient Hospitalization, Outpatient Surgery and Emergency Room. Deductible is EMBEDDED. Deductible is WAIVED for Penn Medicine facilities and hospitals.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> . When Health Plan members go to a Penn Medicine facility or hospital, their services are NOT subject to the Deductible.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care, non-hospital and other</a> services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	No	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	Medical Limit - \$1,500 Individual \$3,000 Family per plan year Rx Limit - \$1,000 Individual \$2,000 Family per plan year	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , health care this <a href="#">plan</a> doesn't cover; and noncompliance penalties.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Not Applicable	For help finding a provider, see <a href="http://www.homesteadproviders.com">www.homesteadproviders.com</a> , or call 855-897-4816.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
